PHILIPS

Hand blender with ProMix blending technology
650 W, metal bar ProMix, 0,5 L Beaker, 2 speeds +turbo

HR1621/00

# Highlights

### 0.5 L beaker

With the 0.5L beaker you can measure the ingredients for your recipes, but also quickly blend soups, purees or shakes.

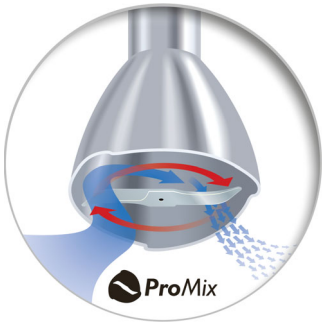
### Anti-splash blade guard

The special wave shape in the bottom part of the handblender blending bar garantees no splashes or mess while you blend.

### 2-button release system

With the 2-button release system of the Philips handblender it is easy to remove the blending bar for easy cleaning.

### ProMix blending technology



The Philips handblender ProMix thechnology was developed together with the prestigious Stuttgart University. It is an advanced technology for more consistent and faster blending. The unique ProMix blending technology of Philips hand blenders uses a triangular shape to create an optimal flow and gives maximum performance making silky smooth soups and smoothies.

### 650 Watt Motor

650W

With the powerfull motor of 650 Watt alsmost any ingredient can be blend.

### Turbo function

With the Turbo function of the Philips handblender you can cut even the toughest ingredients.
